

What Can You Do To Help

YOU MUST BE THE CHANGE YOU WISH TO SEE IN THE WORLD

1

ASK QUESTIONS

- Are the goods I'm buying made with Uyghur slave labor?
- Do these workers have a voice to speak out against human rights abuses?
- What steps are companies taking to avoid complicity in slave labor?
- What are countries doing to avoid complicity in slave labor?
- What can I do to help with the cause? How can I get my family, friends and community involved?

2

TAKE ACTION

- Empower yourself with knowledge and do research. Not all sources of information are reliable.
- Boycott or reduce buying "Made in China" products
- Make your voice heard; talk about the topic and share information about Uyghurs on your social media.
- Donate to the Campaign for Uyghurs so that we can continue our advocacy work
- Write to the IOC and demand that they strip China from hosting rights for the Winter Olympics 2022

3

DEMAND CHANGE

- Speak to your representatives and ask that they support Uyghur Bills
- Ask lawmakers, politicians and governments to stress human rights in foreign policy dealings with China
- Ask your governments to sanction Chinese officials under the Global Magnitsky Act.
- Ask your reps to require that their country's businesses cease production of goods manufactured with forced labor
